You look where he points and see a single figure on horseback galloping across the steppe in your direction. Behind him are a dozen or more riders, about whose shoulders hang the telltale furs of the Tribe of the Black Wolf. The guards at the gate stand ready, awaiting your orders.

- Ride out to intercept the riders head-on.
- Set a trap for the riders inside the walls of Tar-Domos.
- Work with Kral to surround the riders in a pincer movement.
- Call upon Svarog to invigorate my warriors.
